MISSION OF PROGRAM

- Teach not only sports skills, but also life skills such as teamwork and conduct, regardless of the ability level or experience of the participant.
- Help youth develop a positive attitude toward life-time fitness and healthy lifestyles, both mental and physical.
- Foster personal, recreational, physical, ethical, and social development by offering programs that address competition, following instructions, leadership, and social interaction.

GOAL OF PROGRAM

- Upon completion of this program, your child will have knowledge of basketball rules, ethics, and the fundamental skills of the game of basketball as well as learning proper ways of passing, ball handing, dribbling, shooting from various distances, rebounding, offensive moves, defense, lay-ups, and screens.

COACHES

- Give 100% respect of players as individuals and as a team; demonstrate positive attitude with constant encouragement; challenge players; provide a structured practice with mix of repetition of new drills, routines, and new aspects of the game to avoid boredom.

PARENTS/GUARDIANS

- As a courtesy to everyone, please be on time for pre-game warm ups, and bring your child to all practices. If you will miss practice or a game, please inform the coach so he/she can plan accordingly. If any parent/guardian has an issue or problem with other players/coaches/parents, we would prefer you avoid disrupting the game that night and wait to contact Fran Dibble, Athletic Director, the next day to discuss the issue calmly. Fran will contact those involved to amicably resolve issues.

PLAYERS

- Win or lose, show great sportsmanship. Step onto the court as a **TEAM: Together Everyone Achieves More**. When an error is made, forget about, keep your head up, and think of how you can make the play next time.
