

Dear Fifth Grade Parents:

On Monday, May 21st and Tuesday, May 22nd, Whittier Elementary School will be offering an opportunity for the fifth graders to attend a fun and exciting outdoor education overnight to Camp Timber-Lee in East Troy, WI.

Students will have the opportunity to participate in many exciting activities. These activities include the possibility of canoeing, horseback riding/rock wall climbing, animal encounters, archery, leather working, zip lining, and nature games. We plan to have a campfire in the evening, as well. More information will be available about times and schedules as we get closer to the trip.

There will be about one chaperone for every 5 students. **We will be in need of many chaperones.** If you are interested, please fill out the attached portion and return it to school. Please let us know if you are CPR certified also. Each chaperone must complete and pass a criminal background check if they have not already done so.

The cost of the trip will be \$143.00 per student and \$100.00 per chaperone. This fee includes transportation, lodging, dinner, breakfast, and lunch, and fees for various activities for students only. There are a few different payment options.

*7 monthly payments of \$20.50

*3 payments of \$47.50

*1 payment of \$143.00

Please do not send in cash. Checks can be made out to Whittier Elementary. There is also an online credit card payment available. This comes with a 3.5% fee.

Due to the cost, we will offer fundraising activities throughout the year including candy bar and poinsettia sales. We really would like to have **all** students attend. If a full payment is difficult for you, we highly encourage the candy bar sale coming up in mid-October. There is no cost to you. Students sell and collect money and we credit your account!!

If you would like your son/daughter to participate in the 2018 Fifth Grade Camp Timber-Lee Trip, please complete the attached form. Should you decide to have your son/daughter participate, you will be provided with additional forms to complete relative to health information and additional due dates for payment.

Students are required to maintain an acceptable standard of academic and behavioral performance in order to participate in this excellent outdoor education opportunity.
