

Together **WE** created the beautiful
Dream Playground!

This will be our second season of play and we
want to ensure that everyone has an amazing
time and enjoys playing there with their family
and friends.

We are developing the Dream Playground Ambassador
Program to raise awareness and promote safe, healthy,
inclusive **PLAY** !

We need **YOU** to volunteer to help us.

If you want to become a member of our amazing
ambassador team you will need to attend one of these
mandatory meetings where you will be given an application
form to fill out and receive your instructions/ training.

Please come and show your support for the beautiful
playground that our community built by attending **ONE** of
the meetings listed below.
