

LIL' FISH READING PROGRAM

Dear Parents or Guardians,

Whittier Elementary School and the Kenosha Kingfish would like to inform you that your child will be participating in the 2018 Lil' Fish Reading Program presented by Carthage College. In coordination with the Whittier Elementary School, the Kingfish have set up a program to help encourage your son or daughter to read more!

Here's how it works:

- Your school will set your child's reading goal.
- The Kingfish will provide reading trackers for each student to record their progress.
- Upon completing the program, the Kingfish will provide your child with:
 - One (1) free Kingfish ticket to your school's night at Historic Simmons Field on **Wednesday, May 30th (6:35 PM)**
 - One (1) free hot dog coupon redeemable on your school's family night.
 - One (1) free soda coupon redeemable on your school's family night.

We all know the importance of establishing strong reading skills during a child's youth, and hopefully we can help to do just that with this program.

Family Night:

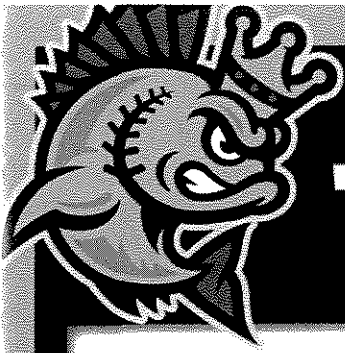

- Your school's Family Night is **Wednesday, May 30th (6:35 PM)** and tickets will only be valid for this game.
- \$9 discounted tickets will be available for purchase for all additional family and friends for the designated night.
- All tickets will be available for pick up on the night of the game at the ballpark.

If you have any questions, please contact **Zach Behnke** at 262-653-0900.

We hope you will join us in encouraging your child to complete the 2018 Lil' Fish Reading Program presented by Carthage College!

Thank you & Go Kingfish!
